

# Governors' Newsletter - March 2016

Dear Parents,

As the Chair of Odessa Infant School's Governing Body, I am delighted to welcome you to our newsletter. We have been very busy this year and I would like to take you through some of the developments that we have been working on.

The Governing Body and school staff have remained committed to working through our improvement programme and ensuring that all children make progress to the best of their abilities. We will achieve this using an improved and more individualised progress tracking system which will help teachers plan their lessons and focus on the areas where children need it the most.

We have also invested in new class furniture and resources that will allow children in the reception classes to be more independent.

We have reviewed our Child Protection Policy, which you can now find on the school website.

I am sad to announce that Mr Waheed Khan and Mr Khalid Rashid have made the decision to step down from their posts as governors after many years of diligent work. I am sure you will join me in wishing them all the best in their new endeavours. We have also recruited Mrs. Ainhoa Akinrele and welcome her as our new parent governor.

I am delighted to say that we have managed to meet many of you at previous Parents' Evenings. Your feedback has been overwhelmingly positive which is a great reassurance to us.

We will continue to attend these events to get your views about the school. Let us know your views/comments and suggestions via the suggestion box.

With thanks

Audrey Moeller
