

A very warm welcome to a new school year!

All About Me!

This term we will be learning about ourselves and our families. This includes talking about the things that make us similar and things that make us special. You can join in by looking at photos of your family together or talking about the different parts that make up our bodies. We would love you to bring in a picture of your family to add to your child's learning journey book.

Nursery Rhymes

Early phonics means developing good listening skills and nursery rhymes and songs are ways we can do this. We will learn about the rhythm as well and the rhymes.

In partnership with you we will welcome, settle and encourage your child to become more independent. One way you can support this is by allowing your child to take off and hang up their coat independently before saying

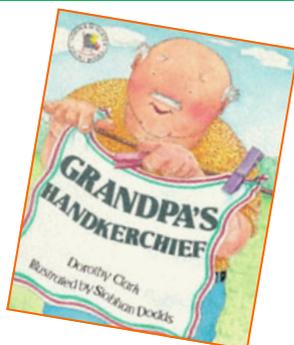

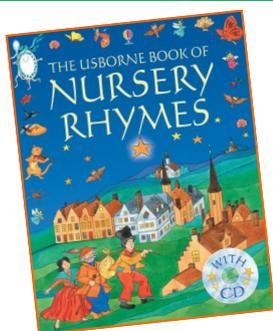

Children's work is their play and sometimes this can get messy, they also get so busy that sometimes they forget to go to the toilet. It would help us and them if you could bring a bag with a change of clothes or two. Thank you.

This Term:

Stay and Play: **Every Tuesday**
Harvest Celebration: **Wednesday 10th October**
Last Day of Term: **Friday 19th October**

Our stories this term

Sharing a book together is a lovely experience for both child and adult. Taking the time out to read with your child supports language and creative development.

We are asking all parents for a contribution of a **minimum of 50p per week** for valuable resources to support your child's learning.

With this we are able to offer quality resources and valuable experiences such as cooking. We thank you for your support.

Here at the nursery we promote learning through play and communication.

This means:

- Providing a **safe** place to learn
- Engaging in **meaningful** play;
- Encouraging **independence**;
- **Listening** and **responding**.
