## Colchester Zoo Visit

The Reception classes had a fantastic time at Colchester Zoo. The children explored the many animals at the zoo and learnt about their habitats, the way they move and what they like to eat. Some children even got the opportunity to mingle with the animals in their environment. The children were models of good behaviour throughout the visit and the visit really motivated them with their learning back at school.

## Important dates

### Summer Term 2019

- 22nd of May —Yr. 1 visiting the Temple
- 22nd of May —SEND coffee morning
- 23rd of May—Triple P session in the afternoon

## Sea Life London Aquarium Visit

Year One visited the London Aquarium last week. They travelled by train and enjoyed seeing some of the London landmarks before arriving at the aquarium.

They enjoyed seeing lots of sea creatures including sharks, penguins and jellyfish.

We captured the children's voices, 'I liked the penguins. They went under the water so fast!'

'My favourite part of the aquarium was the starfish because they are so spikey!'

## Happy bags

The collection is on the 21st of May, so there is

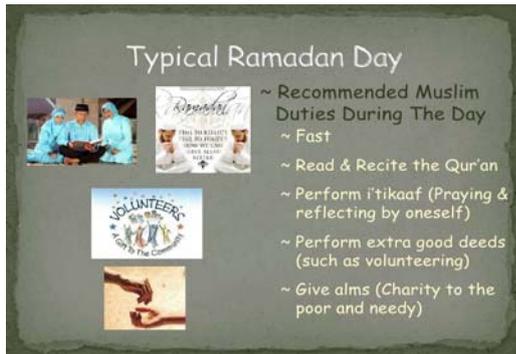

still some time for you to make some more donations.

Thank you to those of you who have already kindly made donations.

## Ramadan Mubarak

Ramadan is the ninth month of the Islamic lunar calendar, for Muslims. It is traditional to say, "Ramadan Mubarak." This greeting means "Blessed Ramadan," is just one traditional way that people welcome friends and passers-by alike during this holy time.

## Important Notice:

We have changed the date of the camping trip from the **6th of June to the 26th of June** in-light of the possibility that the original date may coincide with Eid. We want as many of our pupils to attend the visit as possible. The children and the staff are very excited about the opportunity to go camping!
