Dear parents & carers,

I am so pleased that children are either wearing our school uniform or school colours. It is also great to see that the majority of children are wearing the correct PE clothing too. I would like to remind you that all children should wear plimsoles and not trainers for PE. This is because trainers are too heavy for the purpose of PE (plimsoles are very cheap, they range from £3 to £4 in Tesco and Asda). Please remember that it is important that all children change for PE. If your child does not wear the correct PE clothing, you will receive a phone call from the school to ask you to bring the correct items into school on that morning. Sometimes some children may take the wrong uniform home. Please can all parents check their child's clothes and if there is a different name, please return the items so that the class teacher or office can give it to the right child. Thank you for your continued support

Internet Safety Awareness

As you are aware as parents of young children it is crucial that as the responsible adult it is your role to ensure that your child stays safe online. Last week we ran a parent's internet safety workshop, which was very well attended. We were informed of some useful websites that will help you safe guard your children online - there are:

<https://www.internetmatters.org/>

<https://www.childnet.com/>

Individual Photo Day

Practise your best smiles for the camera! The photographer is coming on Wednesday 20th November

Don't forget parents evening!

Parent's Evening - Thursday 21st November

Please make sure you have secured an appointment to see your child's class teacher. During 'Parents Evening' the school will be providing refreshments in the hall. We will also be having a book sale to promote 'Our Love of Reading' - all books will be 50p each. We would love you to bring your child so the class teachers can share their targets with them. While you wait to see the teachers you will be able to look at your children's books to see the progress they have made this term. We look forward to see you there.

Reading at Home

At Odessa we are passionate about developing a love of reading in our children. You too can promote reading at home. Your child will have two books in their school bag, one is matched to their reading level and the other is to read for pleasure. Ensure that shared story times and reading time is part of your family routine. A bedtime story is for pleasure and helps settle children down for a good nights sleep. Books enrich our vocabulary and imaginations - make reading matter in your home!
