

Online Home Learning

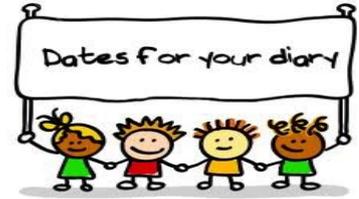

Dear Parents & Carers,

In order to support your child's learning at home we want to promote our online programs. We have, 'Bug Club (reading) and Abacus Maths' online accounts for your children. These are engaging and fun programs that are age appropriate and provide work pitched at your child's learning ability. As well as having opportunities within to challenge and extend their learning. If you are unsure of your child's log in details please see their class teacher who will be able to assist you with this.

Regards

Clare Barber

Head Teacher

Friday 7th February - Sponsored Walk in Recprion

Friday 14th February - Finish for half term break

Monday 24th February - Return to school

Tuesday 3rd March - Faith in schools visit Reception pupils

Friday 6th March - Phonics workshop part 3 at 9am in the hall

Monday 9th March - Happy Bags (donate unwanted clothing/bedding)

Places of Worship 2020

As a school we enable our children to experience many activities, such as going on visits to help them learn about their own religion as well as others. Teaching the children about each other helps them to respect each other's belief. One way we enrich the children's knowledge and understanding is by visiting different places of worship. Here are some photographs of our visits this year -

Year 2 - Buddhist Centre Visit

Year 1 - Gurdwara Visit

Attendance Matters

Dear Parents & Carers,

We can see that class 5 had fantastic attendance this week and is highlighted in green. Sadly there is not much green and we would like to highlight this to you as regular attendance is crucial for your child's social, emotional and education development. If they are at school everyday they will build and maintain firm friendships and have less gaps in their learning. Teachers plan and teach lessons in sequence building upon children's prior learning.

We do appreciate that from time to time children become unwell and they need to be at home but if they have a common cold this can be managed in school. If they are very poorly naturally we would contact you to arrange to bring them home. Please give careful consideration before deciding to keep them at home. Let's aim for the best attendance and earn those certificates - making us 'Proud Peacocks'.

Stars of the week

Congratulations to our stars of the week, who were selected by their teachers. Who will be our stars next week?

Class 1 - Areeb for great presentation & Tahira for being a 'Go for it Gorilla' in everything she does

Class 2 - Melania for good presentation & Sebastian for being an 'Exploring Elephant' settling into his new environment

Class 3 - Ellie-Mae for great presentation & Yaqub for being a 'Choosing Chimp', joining in with all classroom discussions

Class 4 - Dumitri for great presentation & Natalie for helping and looking after others

Class 5 - Mohamed for trying to make his writing neater - well done & Amaira for super learning in Maths

Class 6 - Aadam for excellent presentation & Aslan for trying his best in Literacy

Class 7- Carlos for great presentation & Adedayo for being helpful in class

Class 8- Amanah for good presentation & Angel for being a 'Concentrating Crocodile' on the carpet

Class 9- Aiden for being a 'Persevering Parrot', Cardina for being a 'Go for it Gorilla', Chloe and Nathan for saying good morning - well done

Phonics Workshop

Great to see so many parents and carers attend our phonics workshops. Part 1 gave parents information about our phonic program, 'Letters and Sounds', the 2nd part involved everyone experiencing elements of a phonics lesson. Thank you all for your active participation. Part 3 will take place on Friday 6th March - 9am in the hall. Session 4 will take place after half term as well - dates to be confirmed.

Attendance Awards!

Well done to Class 5 this week!

Class 1 - 97%
