

# Star and Crescent Moon Mobile

This is a quick and easy craft for Eid - if you have gold glitter that would be great but you can use felt tips, paints or chalks - whatever you have to make it colourful.

---

## **You will need:**

Card or paper  
Paint, chalk, felt tip pens or glue and glitter  
String  
Stick (we used a lolly stick) or even a twig!  
Cut out a crescent moon and star - this may challenge you but be a 'Go for it Gorilla'

## **Instructions:**

Paint, colour or cover with glue and glitter.

Punch a hole in each and tie through a piece of string or yarn.

Tie the other ends of the string to a twig or lolly stick. Tie a piece of string to the middle of the twig to hang the mobile by.
