All things that we can see around us are either **living** things or **non-living** things.

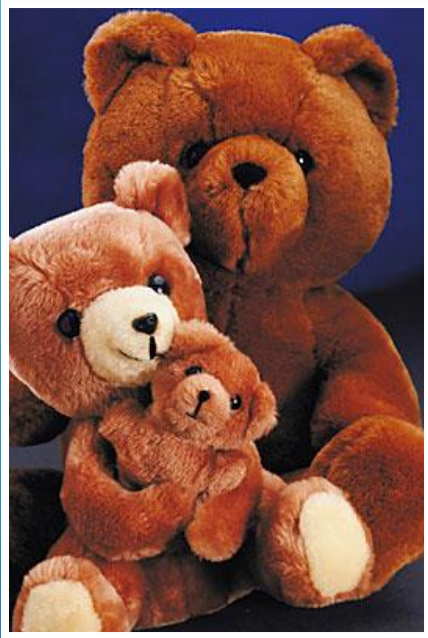

Living things are alive.

Non-living things are not alive, have

How do we decide?

Why are these things not alive?
Have they ever been alive?

Activity

Go on living or non living hunt at home or in your garden – what things can you find that are living and what things are non-living?

How do you they are living? Non living?

Can to draw 3 things that you found and write about how you know they are living or non-living.

Remember to use capital letters, finger spaces, adjectives and full stops when writing!

Please send us a photograph of your work to info@Odessa.newham.sch.uk so we can share it with your class teacher
