

Year 2 - English

n

The right side of the page features a decorative graphic composed of several overlapping, semi-transparent green triangles and polygons in various shades of green, ranging from light lime to dark forest green. A thin, light grey line extends from the bottom left towards the top right, passing through the graphic area.

We are learning how to use punctuation in our writing.

Steps to success...

I can identify what punctuation to use and understand how to use them.

I can use punctuation correctly in my writing

Please access the link below for the following:
