

YEAR 1 MATHS

We are learning about 2 digit numbers.

Play the helicopter rescue game in the link below.

Start by playing 'Find a number' work your way through the different levels. Then have ago at playing 'count on and back'.

- Click the links below or copy and paste it into Google.

<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

- <https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

Listen and sing along to the number song (right click the image below and press preview) - then write numbers in order starting from 1 to as high as you can go. Take care when writing each number do not rush.

Please ask an adult to take a photo of your work and email it to info@odessa.newham.sch.uk so we can share your work with your teacher.

If you found any numbers hard to write - have another practice! You can do it.

PARTITIONING 2 DIGIT NUMBERS

Watch the song to learn about place value

Can you draw the value of the following numbers – 12, 15, 18

see the below example

16 -

$$10 + 6 = 16$$

Write the answers to the below questions on paper.

How many numbers come between 10 and 15?

Which numbers are in the wrong place on this line?
