

### Learning Cloud User Responsibilities (Parental)

- I will keep my password private.
- I will encourage my child to keep their password private (but they may tell me).
- I will tell a member of staff if I think that someone else knows either password.
- I will encourage my child to be a responsible user of the Learning Cloud and to use appropriate language when he/she adds items or sends e-mails.
- I understand that I am responsible for everything that I write on and add to the Learning Cloud. I will only write what I want others to see. I understand that staff members can monitor all Learning Cloud activity. I will encourage my child to be responsible when adding items to the Learning Cloud.
- I will encourage my child to act responsibly by telling a member of staff if they think that someone else has broken the rules.
- I will encourage my child to check with me before using the internet at home.
- I will ensure my child knows to either tell myself or staff members if they see or read inappropriate material on the internet.
- I understand that access to the Learning Cloud is provided by the school and all users must adhere to the user agreement in order to retain log-in privileges.
- I understand that if my child does not keep to the rules, I will be informed and my child will not be allowed to log-in to the Learning Cloud or use the school internet for a set period of time (decided by the Head teacher).

### When using the school's Learning Cloud I promise to keep the following rules:

- ★ I promise to tell my teacher or parents if someone is being unkind to me on the Cloud.
- ★ I understand that everything I do on DB Primary can be seen by my teacher.
- ★ I promise to turn my monitor off if I see anything that upsets me and report it to an adult.
